Potential competing interests: No potential competing interests to declare.

The work is very good, but there are some points to improve.

Summary

Mention a little bit more of your results found.

Introduction

Please check that the first time you put an abbreviation, you put its meaning, e.g., AMR.

Materials and methods

Please mention before placing any tables or figures in your paper, e.g., figure 1.

Results

If your results are also shown in graphs, they will be better understood.

Describe your Figure 3.

Discussion

Please mention your results in your discussion in order to understand your paper and the findings of your work more clearly.
