This article is interesting to provide information related to the educational value contained in the pela gandong culture. Just a little input from me related to the article A. Introduction 1. There is repetition of the same sentence. 2. There are paragraphs that are not in sync with each other between the top and bottom b. Wetting 1. Frequent repetition of the same sentence 2. It is further emphasized that Pela Gandong Culture: Construction of Christian Education What are the values in the Allang Community like, because the focus is still not widening. Reference Maybe more references can be added, such as Chairussani Abbas Sopamena's writings about the philosophy of pela gandong valve that saves the people of Maluku, and several other references
