

Review of: "Prevalence of Buruli Ulcer Among Residents in Jasikan Municipality: A Cross-Sectional Study"

Thualfakar Hayder Hasan

Potential competing interests: No potential competing interests to declare.

1. Major corrections should be made in order to improve the quality of the paper.
2. The introduction needs rewriting again with proper grammar and Meaningful statements
3. Italics genus and species name. Please go over the manuscript to correct it.
4. Revise the Methodology
5. Some of references that used in manuscript are very old, scientifically must be in last five years
6. The reference list should be modified since seems many references are not written according to journal style.
