Potential competing interests: No potential competing interests to declare.

First paragraph need to be supported with data from an national or international body.

the role in ensuring food security.

"The rising prices of food crops"

- I suggest to provide data to show if there is any trend on this.

Indonesia's Food Security Board, - their objectives can be made into infographic type for clearer view.

"Based on various indices of food security status, indications point to a persistently serious problem in Indonesia over the past few years. "

- what are the problem? need to be precise
- these gaps need to be supported by references.

"The adoption of this practice on a larger scale by small and medium-sized concession companies is due to the relatively lower cost of clearing land compared to mechanical methods^V"

- please check on the symbol^V
