English Cocker Spaniel

National Cancer Institute

Source

National Cancer Institute. *English Cocker Spaniel*. NCI Thesaurus. Code C53884.

The English Cocker Spaniel is an alert, compactly built, medium-sized dog with long ears. The feet are round and cat-like with tight, arched toes. It has hair of medium length. The coat comes in solid black, liver or red or parti-color combinations of white with black, liver or red markings or ticking. Height: 14-17 inches (36-43 cm.) Weight: 26-34 pounds (12-16 kg.)
