Potential competing interests: No potential competing interests to declare.

1. The abstract lacks the main elements of an introduction and conclusion.
2. More detail needs to be added to the introduction.
3. Please include prior studies in the introduction section. Then, indicate the objectives in light of the research gap.
4. This paper does not include a literature review.
5. I suggest representing the results in a graph format rather than a table.
6. proofread each sentence for grammatical problems.
