Potential competing interests: No potential competing interests to declare.

- 1) The discussions part is missing.
- 2) There are minor typos such as "haracteristics" ...
- 3) The literature review part is too shallow; there are very few references. The latest papers about spatiotemporal analysis of meteorological data are as follows:

10.1007/s00703-021-00796-z

10.1007/s00704-020-03384-0

10.1007/s00704-013-1017-7
